

**New Hampshire Department of Health and Human Services  
Substance Use Disorder (SUD) Treatment Services  
Infrastructure Expansion**

**ADDENDUM #1  
RFP #16-DHHS-DCBCS-BDAS-04**

On January 4, 2016, the New Hampshire Department of Health and Human Services published a request for proposals for infrastructure expansion of substance use disorder (SUD) treatment services, statewide.

The Department is publishing this addendum to:

**1. Delete Section 1.1, Purpose & Overview, and replace it with:**

**1.1. Purpose and Overview**

This Request for Proposals is published to solicit proposals **from public or non-profit entities** for infrastructure expansion of substance use disorder (SUD) treatment services, statewide. The selected vendor(s) must expand current SUD treatment capacity and/or provide new SUD treatment services that will expand the current SUD treatment infrastructure in order to serve more clients who are experiencing substance use disorders.

The Department is seeking a vendor(s) who can provide one, some or all of the following services in the State of New Hampshire, by adding to existing programs or developing and implementing new programs, as follows:

- Withdrawal Management Services
- Residential Treatment Services
- Partial Hospitalization Programs.
- Intensive Outpatient Programs.
- Innovative Outpatient Programs.

**2. Delete Section 6.2, Procurement Timetable and replace with:**

**6.2 Procurement Timetable**
